Plumbing Day

2017

**March 11th 2017**

# **A Day at the Races**

## **Celebrating World Plumbing Day**

This year more than 170 members of the Western Australian plumbing community celebrated the importance of our industry at the annual World Plumbing Day held at Perth's Ascot Race Course. The day saw all horse races named after or affiliated to plumbing brands and companies.

**Our showcase video depicts some of the fun, togetherness and collective strength of our industry on the day. Enjoy!**

## Plumbing facts worth knowing:

1. The impact of plumbing is significant, considerably increasing life expectancy
2. Two thirds of the world's population now has clean drinking water and effective sanitation
3. Sanitation was voted the world's greatest medical innovation by the British Medical Journal
4. In Australia all states and territories boast clean and safe drinking water
5. The dual flush system saves around 32,000 litres of water per toilet per year
