TEST PROJECTS TO 'REAL WORLD'

TEST PROJECTS TO 'REAL WORLD'

WORLDSKILLS CONTEXT

- Former/ex-competitors... '**WorldSkills Champions**'
Plus WorldSkills Australia, WorldSkills Foundation and WorldSkills International experience.
- Community Plumbing Challenge originating from **WorldSkills Foundation**.
Ownership transferred to **IAPMO** and **IWSH** in 2015.
- Emphasising **collaboration** over competition.
Team over individual.
Real-world **impact** over simulation/exhibition.
Lasting community **legacy** over take-down.

CURRENT PROGRAM

2017

A large graphic of the year 2017. The number '2' is a solid dark blue. The '0' is a dark blue circle containing a teal globe with a white water tap icon at the bottom, with a single teal drop falling from the tap. The '1' and '7' are solid dark blue.
