

Expression of Interest World Plumbing Conference 2029

The WPC is seeking expressions of interest from Full Member organisations interested in being the local host for the World Plumbing Conference 2029 (WPC 2029).

WPC 2029 will be the 15th triennial World Plumbing Conference following WPC 2026 which will be held in Birmingham, England hosted by the Chartered Institute of Plumbing and Heating Engineering (CIPHE).

This form is to seek Expressions of Interest only. Following this period, a representative from the WPC will make contact regarding the next steps which will include preparing a formal Bid for WPC 2029. The Bid is made by representatives of your organisation to the WPC Executive Board.

Organisation: _____

Name of Contact: _____

Email address: _____

Phone number: _____

Brief outline of why your organisation is interested in hosting WPC 2029:

Please submit this form to Secretariat@worldplumbing.org by Thursday, 30 April 2025.

In accordance with the WPC Guidelines for Holding World Plumbing Conferences, eligibility to bid is as follows:

(i) The formal application to host a conference must come from one or more properly constituted and representative plumbing organisations within that country.

(ii) An organisation wishing to host a conference must have been a paid up full member of the Council for at least two years before being eligible to bid. Where a bid is submitted on behalf of a number of organisations, at least one of these organisations must meet this requirement and all others must be either full or affiliate members of the Council at the time of the bid presentation.
